Condolence

"I am the resurrection and the life.
Whoever believes in me, though he dies, yet
shall he live, and everyone who lives and
believes in me shall never die."

- John 11:25-26

It is with the deep sorrow and sadness that we render our prayerful condolence to one another. As a sign of solidarity with the universal Church, we shall pray for the repose of the soul of our Holy Father. We priests are requested to celebrate a mass for the repose of the soul of the Holy Father. When praying the Eucharistic prayer, please do not say "Francis our Pope" in the section of the living. You do include his name in the commemoration of the dead during this period.

As a sign of gratitude and solidarity, we had a silent procession from St. Mary's School, FMM Convent to St. Michael's Cathedral. We had a requiem Mass at the Cathedral for the repose of the soul of His Holiness Pope Francis on the day of the Funeral Mass at Vatican (26.04.2025). From Coimbatore and Mettupalayam Vicariates people guided by their parish priests with the placards bearing the image of Pope Francis took part in it. Our Diocesan Bishop Most Rev. Dr. Thomas Aquinas led the procession and celebrated the requiem Mass.

May the soul of Pope Francis rest in peace and rise in glory.

With Prayers,

Bishop, Clergy, Religious and Laity
Diocese of Coimbatore

Bishop's Message

Dear Rev. Fathers, Religious and People of God,

On 4th of May, our deacon Naveen Rosario will be ordained a priest for our diocese. While congratulating him and offering our prayers, we thank the Lord for the gift of deacon Rosario. The fourth Sunday of Easter is the vocation Sunday, on that day the Church wants us to pray for vocations, and in a special way, to pray that many and good priests may come up from among our own children. The present scenario is the paucity of vocations to the priesthood, even across the globe. In our diocese, too, we are very much in demand for priestly vocations. The best place to nurture vocation to priesthood is the family. The parents, the elders, through their exemplary lives will be the source of vocations among their children. Dear Fathers, it our primary duty and responsibility to promote vocations in your parishes. In words of St. Mother Teresa, we need priests in the Church to obtain God's blessings through the celebration of the sacraments.

The month of May is dedicated to the devotion of Our Blessed Mother Mary. I earnestly request you to propagate the devotion of reciting rosary individually and as a family at home. The recital of rosary is old aged piety of our Church. St. Alphonse De Ligouri says, "Never will anyone who prays rosary be led astray". In the words of many saints, the family that recites rosary will live together and never be divided. It is a mandatory responsibility to spread the devotion to Our Blessed Mother who favors the recital of rosary wherever she made her apparitions.

In this month you are called to organize VBS in your parishes. As our children are on holidays, kindly teach them the Word of God. The Word of God should play a vital role in the lives of the catholic, much mor in the lives of the children. Through VBS, you may inculcate into the minds of the children the importance of the Word of God and make them develop the habit of reading the Bible daily. While appreciating your Bible apostolate in your parishes, I earnestly exhort you to give the utmost importance to VBS and make it obligatory for all the children to participate actively and enthusiastically in the VBS. May the Risen Lord bless you and your Bible apostolate.

Yours devotedly in Risen Lord

Pilgrimage of Hope: A Spiritual Enriching Experience

As part of the Year of jubilee we, as religious men and women, had the privilege of participating in the Pilgrimage of Hope at Our Lady of Holy Rosary basilica at karmathampatty, Coimbatore diocese level. This sacred event took place on March 30th, from 7:00 AM to 9:00 AM, beginning with Adoration, followed by a Talk, Confession, and Silent Prayers. Beginning the Sacred Journey.

The Hearts of Jesus and Mary are the safest place where we can take refuge, and experience immense love and abundant mercy. Keeping them close in our spiritual journey strengthens us. As we encounter the Lord our hearts and souls expand, radiating joy and love to others. This was the central theme of the Adoration experience, inspiring a deeper spiritual renewal and commitment to Christ.

Embracing God's Mercy in the Jubilee Year

As religious men and women, we had the profound opportunity to receive the Sacrament of Reconciliation during our Pilgrimage of Hope in this Jubilee Year. In the sacred space of our lady of Rosary Basilica, we experienced God's abundant

mercy and His loving embrace, reminding us of His infinite compassion. To fully receive the indulgence of this Jubilee Year, we were called to sincere preparation, an open heart, and a good confession. The Sacrament of Reconciliation was not just an obligation but a grace-filled encounter with God's love, renewing our spirits and deepening our faith.

Standing before the throne of mercy, we were reminded that confession is a pathway to healing, peace, and spiritual renewal. Through this pilgrimage, we not only sought forgiveness but also reaffirmed our commitment to live as witnesses of mercy and hope.

The Procession of the Jubilee Cross

The procession led us from Our Lady of Rosary retreat Centre to the church with the jubilee cross carried by the religious. Along the way, the Litany of Saints was sung,, it was creating a profoundly moving spiritual experience. The presence of the Jubilee Cross symbolized a time of grace, renewal, allowing us to receive indulgence and immerse ourselves in the depth of God's unconditional love and mercy.

Holy Eucharistic Celebration

We participated in the Holy Eucharistic Celebration, during which the liturgy was led by the religious. We felt the river of grace flowing to us and we were enveloped by the mercy of God as we received the indulgence and final blessing from the preiast.it was a moment of spiritual enriching experience.

Exploring Faith and Reflection

Following the Eucharistic Celebration, we explored the various stalls set up by different vicariate levels, each offering insights and experiences of faith. One of the most impactful moments of the day was watching the life of Jesus, acted out by the karmathampatty vicariate. Which served as the highlight of the pilgrimage. It deepened our connection with Christ's journey and reinforced our hope and faith.

A Grace-Filled Experience

The entire pilgrimage was like walking on the holy ground, a truly grace-filled and transformative experience. We extend our heartfelt gratitude to our Bishop, Rev..Dr.Thomas

Aquinas, the parish priest, and the dedicated team of Our Lady of the Holy Rosary basilica, who meticulously organized this sacred event for both the religious and the faithful. Their efforts made this pilgrimage a unique and unforgettable experience, drawing us closer to God's infinite love and mercy.

Bible Seminar Held at the Church of Christ the King, Kattoor

In preparation for Lenten preaching, a half-day Bible Seminar was organized at the Church of Christ the King, Kattoor, on Sunday, March 30, 2025. The seminar was attended by approximately 60 participants and was led in its entirety by Fr. C. Lawrence. He began the session with a comprehensive introduction to the Holy Bible, emphasizing the importance of viewing it through the lens of Salvation History. He stressed that the Bible is not to be regarded as a scientific or purely historical text, but rather as the inspired Word of God—sacred Scripture that forms the foundation of the Church's teachings, liturgy, and Christian life.

He also explained that the Bible is divinely inspired, written by human authors under the guidance of the Holy Spirit. It is essential for anyone seeking a deeper relationship with God. The Bible consists of two main sections: 1. The Old Testament, which prepares for the coming of Christ and includes the Law (Torah), the Prophets, and the Writings. 2. The New Testament, which centers on the life, death, and resurrection of Jesus Christ, and the early development of the Church.

He also noted that the Catholic Bible contains 73 books—46 in the Old Testament and 27 in the New Testament. This includes the Deuterocanonical books (such as Tobit, Judith, Wisdom, Sirach, Baruch, and 1 & 2 Maccabees), which are not present in Protestant Bibles but are recognized by the Catholic Church as part of Sacred Scripture. He outlined several key reasons why the Bible is important: (i) It reveals God's plan of salvation. (ii) It nourishes faith through God's promises and teachings. (iii) It plays a central role in the Church's liturgy, especially during the Liturgy of the Word at Mass. (iv) It provides moral and spiritual guidance for daily life.

Participants were encouraged to read the Bible with: (i) Faith and reverence. (ii) Unity with the Church. (iii) A prayerful attitude (iv) A sincere desire to seek Christ (v) The help of reliable Catholic resources. (vi) Active participation in the liturgy. He also clarified that Genesis chapters 1–11 are not to be understood as literal history, but rather as conveying profound spiritual and moral truths. These early chapters set the stage for salvation history, introducing the reality of sin and God's enduring faithfulness in His plan to redeem humanity.

He concluded by reminding the faithful that the Bible must be read as the inspired Word of God, interpreted in light of Sacred Tradition and the teachings of the Church. It should be approached with humility, prayer, and a deep desire to encounter Christ.

One could clearly see the zeal, enthusiasm, and deep interest of the participants in reading and understanding the Holy Bible. Sincere thanks and heartfelt appreciation are extended to Fr. Thadeus Amaladoss for his meticulous planning and thoughtful organization of the seminar. Participants were also treated to delicious refreshments, including tea, snacks, and a well-prepared lunch, adding to the warmth and fellowship of the event. Glory to God.

In Pollachi, the effort focused on marginalized families, with Foy's team collaborating with local leaders to identify beneficiaries.

Similarly, in Anaimalai, the program extended support to widows facing economic hardship, offering not just material aid but also emotional solidarity.

The initiative emphasized dignity and empowerment. Future plans include expanding to nearby villages and introducing skill-development workshops to promote self-reliance. Community feedback highlighted the program's transformative impact, with many expressing gratitude for the timely assistance.

The program recently provided essential aid—including food supplies, hygiene kits, and financial assistance—to 20 vulnerable women, offering both material and emotional relief.

The initiative aligns with the diocese's broader mission of social outreach, reflecting Catholic teachings on the "preferential option for the poor and vulnerable. The program emphasized the goal of restoring dignity and hope to marginalized women, many of whom face isolation due to widowhood or economic hardship.

Distributed through the Pollachi Vicariate and other local church networks, the program also connects beneficiaries with community support systems. Future plans include expanding services to neighbouring regions like Anaimalai, reinforcing the diocese's commitment to holistic care.

This effort underscores the Church's role in addressing societal inequities, blending charity with empowerment.

Jubilee Celebration Honouring Healthcare Heroes April 5, 2025 | CMSSS, Coimbatore

The Coimbatore Multipurpose Social Service Society (CMSSS) and Coimbatore Diocese Health Commission hosted a grand Jubilee Celebration on April 5, 2025 to honour the selfless service of doctors, nurses, and caregivers from across the region. The three-hour program saw participation from 130 healthcare professionals who gathered for this special recognition event.

The celebration commenced with a solemn Eucharistic Celebration presided over by Bishop Thomas Aquinas. In his homily, the Bishop reflected on the Gospel passage of the Good Samaritan, drawing parallels to the compassionate service of medical professionals. He emphasized that "every act of healing is a participation in God's divine mercy."

The spiritual ceremony was followed by an insightful input session conducted by Mrs. Sherin Asha, noted healthcare motivational speaker. Her presentation, titled "Healing Hands, Caring Hearts," highlighted the psychological and emotional challenges faced by medical personnel. Through powerful anecdotes and practical strategies, she equipped attendees with tools for maintaining resilience and preventing burnout in their demanding profession.

The celebratory luncheon that followed became a vibrant networking opportunity, with professionals from various hospitals and care centers exchanging experiences. Each participant received a commemorative gift package containing a personalized certificate of appreciation, wellness products, and spiritual literature.

The event concluded with a pledge-taking ceremony where attendees reaffirmed their commitment to ethical medical practice and compassionate patient care. Bishop Aquinas blessed the gathering, invoking divine guidance for their continued service. The celebration not only honoured these frontline workers but also strengthened the bonds within Coimbatore's healthcare community, leaving all participants deeply touched and reinvigorated for their noble vocation

FORMATION OF PARISH PRAYER HEALTH GROUPS

The Health Commission of Coimbatore Diocese has launched a new spiritual initiative by forming two dedicated Prayer Health

Groups in Puliakulam and Vedapatti parishes. These groups will focus on intercessory prayers for the most vulnerable members of the community—the disabled, the bedridden, the sick, and the elderly—seeking God's healing, comfort, and strength for them.

Key Details of the Initiative:

Objective: To offer spiritual solidarity through organized prayer for those suffering from illness, disability, or old age

Activities:

Special intentions during parish Masses

Prayer chains for urgent needs

Collaboration with parish health ministries to identify individuals in need of prayers

Volunteer Participation: Faithful from all parishes are invited to join this noble cause, either by participating in prayers or by helping coordinate requests. This initiative is rooted in the biblical call: "Pray for one another, that you may be healed" (James 5:16). By uniting in prayer, the diocesan commission aims to bring divine grace and hope to those facing physical and emotional struggles.

Parishioners interested in joining or submitting prayer intentions may contact the Diocesan Health Commission (7358658627).
